About TT Club

TT Club (Through Transport Mutual Insurance Association) was formed in 1968 by members of the transport and logistics industry. We specialise in the insurance of Intermodal Operators, NVOCs, Marine Terminals, Stevedores, Port Authorities and Ship Operators.

We have underwriting offices in London, New Jersey, Hong Kong, Singapore and Sydney and have a range of insurance products including Cargo Handling and Transport and Logistics Operator Cover. TT Club Forwarders cargo insurance is the latest in our product range.

Visit www.ttclub.com for more information about TT Club.

TT Club Forwarders is a secure web-based system which enables Freight Forwarders and Logistics Operators to provide instant cargo insurance cover to their customers.

Cover is available in three easy steps: (1) instant quotes can be produced from your office, (2) the cover booked and (3) a certificate issued all in a matter of minutes. There are no start up costs nor monthly fees and being web-based the system can be accessed anywhere at any time.

The ability to provide immediate insurance cover offers an exceptional customer experience. It could provide you with a differentiator in service to your competitors and will cut out the hassle for your customers of having to source insurance elsewhere.

“From \$8,000 of shoes to a \$2,000,000 wind turbine – we can cover small to large consignments around the world”

Step 1

> Specify the cargo

Step 2

> Get a quote instantly

Step 3

> Certificate issued online

The Benefits

TT Club Forwarders provides instant cover

Exporters require proof of insurance. With TT Club Forwarders you can provide your customers with a valid insurance certificate including all the shipment information and policy terms and conditions.

The distinctiveness of the system is its simplicity

Navigation is straightforward and the system is easy and intuitive to use.

It's pay on use

With no start up costs or monthly fees.

We provide transparency

All policy conditions and details of the interests and countries covered are easily accessible to view from the website. You will be entirely clear on what the insurance policy covers.

We have a flexible approach

We can consider various items including computers and fragile items, household goods and personal effects.

Everything is in one place

Certificates are all stored online and can be accessed at any time. There is also a full online accounting system enabling you to view all outstanding and paid transactions at any point.

The Cover

We can provide 'All Risks' cover for loss or damage to cargo.

Claims can be settled around the world because cover is based on the internationally understood Institute Cargo Clauses.

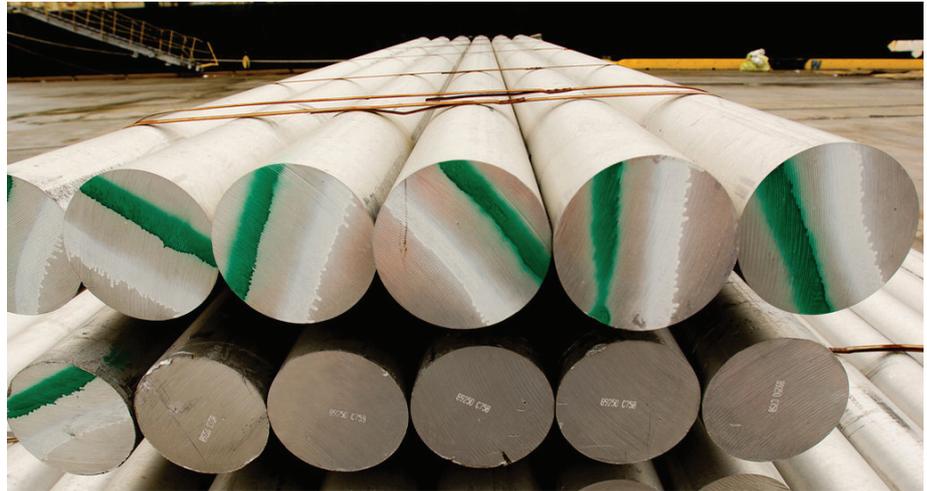

You have the option of offering wider cover at a higher price or restricted cover for a lower premium depending on what your customer prefers.

Non-Standard Consignments

We can consider special terms for non-standard consignments such as:

- high value items
- frozen and perishable goods
- bulk cargoes
- large items or projects

Subject to appetite, we can also consider higher limits or unusual destinations. If we accept the risk, a special category will be added to your policy to enable you to quote for your customer in the normal way.

An overview of the system

Our Forwarders website contains everything you need to know to get started, including details of the policy cover and the features and the benefits of the system. Training and user manuals are also provided.

The quote and certificate generation screens can only be accessed via a secure login on the website.

TT Club's Cargo Insurance

Welcome to our newly launched website. TT Club Forwarders provides freight forwarders and those involved in logistics the ability to offer immediate insurance cover for their customer's cargo. TT Club approved users will be given access to a secure web-based facility where they can produce quotes and generate certificates evidencing cover.

The product differs from some traditional cargo policies as it provides cover for each individual consignment on a pay on use basis.

Key benefits:

- ✓ Instant online quote facility for TT Club approved users
- ✓ Insurance certificates generated immediately
- ✓ Insurance cover in accordance with the latest version of the Institute Cargo Clauses
- ✓ Cover for wide range of cargoes and voyages
- ✓ Bespoke solutions available for special consignments or projects
- ✓ Claims handling undertaken by dedicated experts worldwide
- ✓ Integrated accounting and payment processes

Step 1

> Specify the cargo

Step 2

> Get a quote instantly

Step 3

> Certificate issued online

Important note for issuers of certificates...

Please carefully study the complete policy wording including the agreed interests and excluded interests (for example Laptop Computers, Cell & Mobile Telephones, Boats, Classic Cars, Bulk Goods or Temperature Controlled Goods). If you require a quote from underwriters please contact your insurance broker or TT Club. If you issue a certificate for Excluded goods then no insurance cover is in place. If you are unsure about whether the goods you would like to insure are already pre agreed as per the interest categories or any special projects agreed, please contact your insurance broker or TT Club for advice. Please note that no cover is in place unless a certificate of marine cargo insurance is correctly issued within this website in accordance with your policy wording, agreement and any special projects agreed. To view a full list of excluded goods, please see our [policy wording](#)

The Quick Quote

A quote can be obtained by answering nine simple questions. We only require the information needed to quote, which includes:

- The type of shipment
- Sum insured
- Method of shipment
- Details of voyage
- And what the cargo is

Each field has an information button to help with completing the questions and you will also be given a user guide.

Please note that this summary is merely intended to provide an explanation of some of the important insurance terms applicable and does not alter the terms & conditions of insurance whatsoever. For full details of the cover in place, please refer to the actual clauses as stated and the Standard Conditions.

Purchasing the Cover

If the price is acceptable to your customer you can go on to confirm the insurance and produce a certificate.

By proceeding with the quote you will be required to complete the rest of the details needed for the certificate such as:

- what the goods are
- how they will be packaged
- information on the exact shipping

You then hit 'submit' and the certificate is automatically generated.

This can be printed, emailed or saved to your computer. Full Certificate issuing instructions are provided online.

Important Notice			
PROCEDURE IN THE EVENT OF LOSS OR DAMAGE FOR WHICH UNDERWRITERS MAY BE LIABLE In the event of loss please log in and file the claim online at www.wkwebster.com/cargo/form1.asp and follow the instructions provided. If you are unable to file the claim online then please contact the WK Webster office below.			
Duties of the Insured			
It is the duty of the Assured and their Agents, in all cases, to take such measures as may be reasonable for the purpose of averting or minimising a loss and to ensure that all rights against Carriers, Bailees or other third parties are properly preserved and exercised. In particular, the Assured or their Agents are required: 1. To claim immediately on the Carriers, Port Authorities or other Bailees for any missing packages. 2. In no circumstances, except under written protest, to give clean receipts where goods are in doubtful condition. 3. When delivery is made by Container, to ensure that the Container and its seals are examined immediately by their responsible official. If the Container is delivered damaged or with seals broken or missing or with seals other than as stated in the shipping documents, to cause the delivery receipt accordingly and retain all defective or irregular seals for subsequent identification. 4. To apply immediately for survey by Carriers' or other Bailees' Representatives if any loss or damage be apparent and claim on the Carriers or other Bailees for any actual loss or damage found at such survey. 5. To give notice in writing to the Carriers or other Bailees within 3 days of delivery if the loss or damage was not apparent at the time of taking delivery. NOTE: The Consignees or their Agents are recommended to make themselves familiar with the Regulations of the Port Authorities at the port of discharge.			
Documentation of Claims			
To enable claims to be dealt with promptly, the Assured or their Agents are advised to submit all available supporting documents without delay to WK Websters or Survey Agents if appointed including when applicable: 1 Original policy or certificate of insurance. 2 Original or copy shipping invoices, together with shipping specification and/or weight notes. 3 Original Bill of Lading and/or other contract of carriage. (Full set in the event of total loss) 4 Survey report or other documentary evidence to show the extent of the loss or damage. 5 Landing account and weight notes at final destination. 6 Correspondence exchanged with the Carriers and other Parties regarding their liability for the loss or damage.

Validation

We can cross-check certificates to ensure they are valid and notify you if we spot any mistakes.

Errors and Omissions Cover

For your own protection you must have errors and omissions insurance cover in place before you use the system.

TT Club's Transport and Logistics insurance cover will provide this

protection. It would be worth checking with your insurer for errors and omissions protection if your liability insurance is not with TT Club.

Of course, if you place your liability insurance with TT Club and insure a specific cargo with us we would waive our rights to subrogate claims on this cargo against your liability policy. This could be a benefit to you.

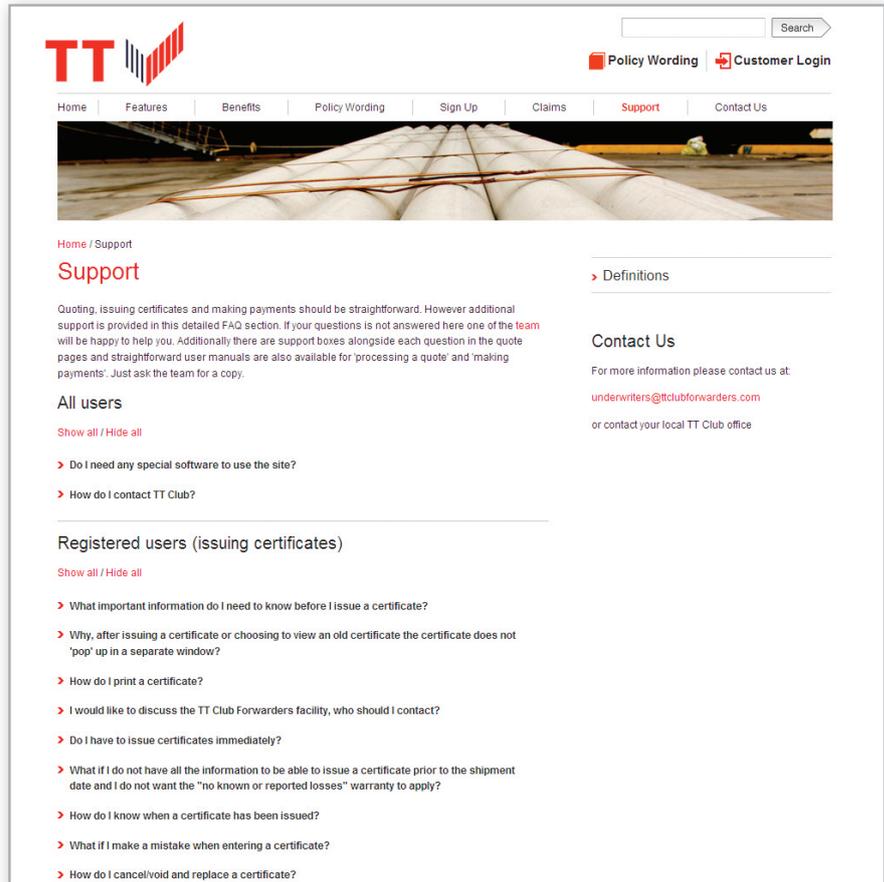

Support

The system is intuitive and easy to follow, however, to provide clarity there are information buttons with every question.

We have also provided a Frequently Asked Questions section on the website which answers common questions such as:

- What important information do I need to know before I issue a certificate?
- What if I make a mistake when entering information on a certificate?
- How do I check insurance cover is in place?

Support

Quoting, issuing certificates and making payments should be straightforward. However additional support is provided in this detailed FAQ section. If your questions is not answered here one of the **team** will be happy to help you. Additionally there are support boxes alongside each question in the quote pages and straightforward user manuals are also available for 'processing a quote' and 'making payments'. Just ask the team for a copy.

For more information please contact us at underwriters@ttclubforwarders.com or contact your local TT Club office

Accounting

You will receive an email invoice each time a certificate is issued and each month you will receive a statement showing the transactions in your account.

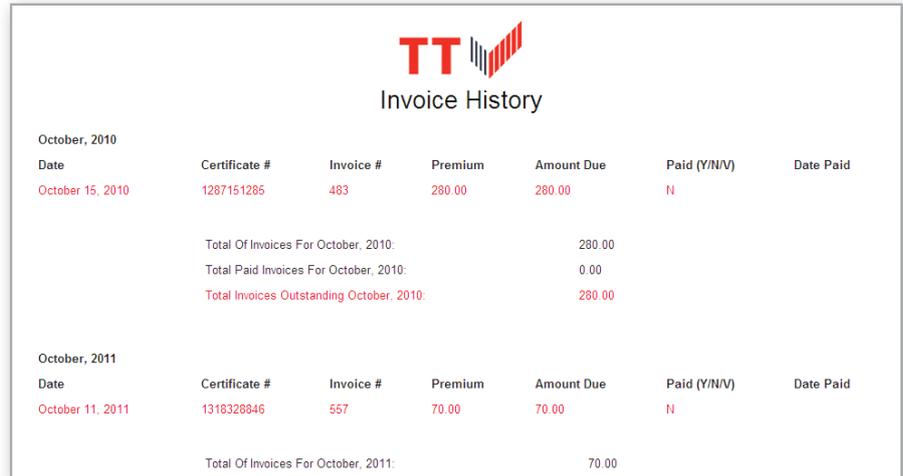

You can review all outstanding, paid and cancelled invoices at any time and your records will be automatically updated each time a payment is received or cancellation issued. Payments are all made to your broker who then passes the premium on to us.

Claims

Claims handling is managed by WK Webster who have a worldwide network of local surveyors. Contact details are provided on each certificate and all claims are reported online.

“Freight forwarders and other intermediaries must often react quickly to the demands of their customers. These involve moves of diverse commodities in differing volumes via varied modes across all geographies.

In designing TT Club Forwarders we have been very much aware of the need to simplify the process of accepting a given risk in these circumstances.”

Graham Hooper,
TT Club’s Senior Cargo Underwriter

Have an Annual Cargo Policy already?

How large is your deductible? Are there destinations not covered by your policy? Do you sometimes need additional cover for Special Projects or unusual consignments?... TT Club Forwarders could be the solution to use alongside your Annual Cargo Cover.

Offices in Europe and America?

We can also offer different coverage in different currencies. With our flexible approach we are sure we can help.

Getting Set Up

Signing up to use TT Club Forwarders can be achieved in four steps. We prefer that you use a broker to ensure you are receiving the right advice and recommendations.
