

Senior Underwriter – German speaking Markets

We are the leading provider of insurance and risk management services to the transport and logistics industries. This is a rare and exciting opportunity for a talented, passionate, self-motivated and commercially minded senior underwriter to join a London based underwriting team.

The successful candidate will take the lead role in shaping and implementing the Club's business strategy in German speaking markets and will provide underwriting activities to a range of customers and their brokers in those markets, in addition to taking a significant role in the development of new business. Although the role is London based it will require the individual to spend a significant proportion of the time in the German speaking markets.

We are interested in hearing from candidates who have a minimum of 10-15 years' experience of liability and property underwriting gained in the German transport and logistics sector and who are German speakers. The successful candidate will be able to demonstrate a strong customer focus, ability to retain and develop new business and possess the skills necessary to under take the requirements of this broad and varied role.
