

North American Cargo Handling Facility Cover

Liability, equipment and property
insurance for cargo handling facilities

North American Cargo Handling Facility Cover

The TT Club provides liability, property and equipment insurance to:

- Container freight stations
- Container storage depots
- Bulk cargo facilities
- Inland river operators
- Passenger terminals
- Airfreight terminals
- Marine terminals
- Rail terminals

Aside from liability for damage to cargo ships, aircraft and containers, your business may be exposed to domestic and international third party risks. The levels of compensation paid in bodily injury cases highlight this exposure. TT Club covers all your exposures on a worldwide basis.

TT Club's cover is designed to operate alongside other covers, minimising the chance of gaps or overlapping covers. In addition to liability insurance, the TT Club offers insurance for property and handling equipment thus protecting your investment against accidental damage, weather damage, machinery breakdown or increased costs of working following an accident.

In addition, the club offers comprehensive loss prevention and risk assessment services.

Standard covers include:

- Liabilities for loss of or damage to cargo, customers' equipment, ships and aircraft.
- Loss of or damage to equipment including loss due to strikes, riots and terrorist risks
- Liabilities arising from errors and omissions including delay and unauthorised delivery
- Third party liabilities including impact and sudden accidental pollution
- Fines for regulatory breach including customs, pollution and safety at work
- Investigation, defence and mitigation costs
- Disposal costs following an accident
- Quarantine and disinfection costs
- Terrorism

Property covers include:

- Buildings and terminals
- Building contents
- Docks and wharfs
- Warehouses
- Dolphins
- Machinery
- Handling equipment
- Locomotives and rolling stock
- Rail and road infrastructure
- Business interruption risks
- Blockage of berths

Additional covers may include:

- Liability as a supplier of advice and information
- Hull and P&I risks
- Logistics operations
