3.1. The exclusions stated at 2 above, together with the exclusions at 3.2-3.3 below, apply also to cover for Political Risks/WROL, with the exception that the exclusions in respect of Europe at 1 above (1.1.2/1.3.2), the corresponding exclusions at 3.2 below and the exclusion at 3.3 below, apply only to equipment moved into the defined areas after 00:00 on 23 March 2022.

- 3.2.1. Named countries at 2 above includes coastal waters up to 12 nautical miles offshore, unless specifically varied above.
- 3.2.2. Named ports includes all facilities/terminals within areas controlled by the relevant port authority (or as may be more precisely defined by insurers) including offshore terminals/facilities, and all waters within 12 nautical miles, but not exceeding 12 nautical miles offshore unless specifically stated.

For the avoidance of doubt, these exclusions apply also to the AT&Cs listed at 2 above, and this is unaffected by this Circular.

4) Conclusion

For those Members who have purchased War Risk reinstatement or Political Risks/WROL cover, and whose policies are therefore endorsed with any of the AT&Cs listed at 1 above or with an AT&C specifying Political Risks/WROL cover, cover will be immediately reinstated for all the above areas.

The situation will be kept under close review by the Managers and an additional war risk premium may be required.
